

Swiss Working Group «Interventional Cardiology»

Winter Meeting 2022

21 – 22 January 2022

Hotel Seedamm Plaza | Pfäffikon SZ

Online registration: www.ptca.ch

SGK: 8 CME credits category 1 A

Organising agency: FentEvent GmbH, Bronschhofen, www.fent-event.ch

Dear colleagues, dear friends,

With great pleasure we announce, after the viral pause, another exciting Winter Meeting of the Working Group Interventional Cardiology of the Swiss Society of Cardiology on January 21 and 22, 2022 at a new location Hotel Seedamm Plaza, Pfäffikon SZ.

We remain true to the proven concept with presentations of instructive complication cases from all regions of Switzerland and allow enough time for a lively discussion among peers. The number of cases of coronary and structural interventions will be balanced. We kindly ask you for instructive and well documented cases (email to kardiologie@mac.com and rolf.vogel@spital.so.ch). We are convinced that you will present spectacular and emotionally touching cases. As a tradition the best three cases will be awarded.

We will break up the presentations of the cases with three short presentations «Cardiology Flashlights».

We are especially looking forward to our guest speakers on Friday. **Daniel Koch** will give us insights on the «**Early hours of the corona pandemic**» and Peter Balordi will take us to the water underworld and tells us about «**Important decisions for cave divers**». We are curious if there are parallels to our profession?

After the Business Meeting we will spend the evening in our hotel. We celebrate the 30th anniversary of the working group! Let us surprise you.

We are looking forward to another Winter Meeting, with the privilege of many moments spent between colleagues and friends. It will serve, as every year, to exchange ideas in a relaxing and enjoyable atmosphere.

Please do not forget to confirm your participation and to send us many interesting and challenging cases.

We look forward to seeing you all in Pfäffikon.

Gregor Leibundgut

Rolf Vogel

Hotel Seedamm Plaza

Seedammstrasse 3
8008 Pfäffikon SZ
Tel. +41 55 417 17 17
www.seedamm-plaza.ch

Location

Thanks to its central location, the SEEDAMM PLAZA is easily reached by all means of transportation. It is located in the middle of the economic region of Zurich, at the very beginning of Lake Zurich.

Arrival by train

Starting from the Zurich main train station the trip is reduced to 30 minutes. From the train station Pfäffikon SZ the hotel can easily be reached in 10 walking minutes. You can also use the public bus to the stop «Schweizerhof» and then reach us by foot in 2 to 3 minutes. Using «Seedamm Taxi» you can reach the SEEDAMM PLAZA in 5 minutes from the train station Pfäffikon SZ.

Arrival by car

If you travel by car, use the address «Seedammstrasse 3, 8808 Freienbach» as the final destination in your GPS. Outdoor car park and underground car park directly at the hotel.
